Photography In The SAC

Hello everyone,

What a great bunch of images that were shown at the last meeting. I am very grateful to John and Hans and Peter for arranging it so I could be there at least virtually.

I am very excited for our next meeting. We have photographer Paul Wright coming in from Whistler. A multi award winning photographer, Paul is going to be talking about "What Keeps You Engaged In Photography In Your 7th Decade and Beyond". This will be one of those presentations that you do not want to miss.

I would also like to share with you this link to [Jaqueline Clayton's obituary](#). In it is information about her celebration of life on October 17th.

See you all on Thursday. This time in person.
